Mattern & Associates is a team of operational experts that consults to large law firms and corporations. Completely unbiased and vendor-neutral, we develop firmwide strategies for our

client's support services that help them become more cost-effective and efficient. In addition, we advise organizations on best practices for cost recovery and other critically important areas such as RFP development, management of in-house operations, output/printer management, and the contracts that form the foundation of the support services – off-site records storage, overnight services, and office supplies.

PwC is the leading provider of assurance, tax and advisory services to major law firms and its partners throughout the United States and internationally. Our client list includes some of the most well-respected names in the legal profession. PwC audits nearly 40% of the firms on the AmLaw 100. As we previously stated, PwC audits 11 of the top 25 firms—more than twice the market share of our largest competitor. Further, our LFS practice provides integrated, coordinated services in which assurance and tax professionals work as cohesive teams, regardless of location.
